

LiTime 24V 50Ah Bluetooth Deep Cycle Lithium Battery for 100lb Electric

KEY RATINGS

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| Nominal voltage    | 24 V                                                    |
| Nominal capacity   | 50 Ah                                                   |
| Features           | Bluetooth monitoring, Low-temperature charge protection |
| Ingress protection | IP65                                                    |
| Certifications     | UN38.3, CE, RoHS                                        |

Every rating on this sheet is stated by the manufacturer for this model and is reproduced without conversion or rounding beyond presentation. Ratings the manufacturer does not publish are omitted rather than estimated. Installation must follow the manual; observe the stated continuous and peak current limits, the charge voltage and the permitted series/parallel configuration.
